

www.northlandareabuilders.com Ad Specifications

Home Page Ads & Logos

AD/Logo POSITION 1 (4 available)

Side of page: 300X150. Ads on the side of the home page are visible when the page loads and appear only on the home page.

AD/Logo POSITION 2 (4 available)

Bottom of page: 200X200. Ads on the bottom of the home page are visible when the browser scrolls down; these ads appear on every page throughout the Website.

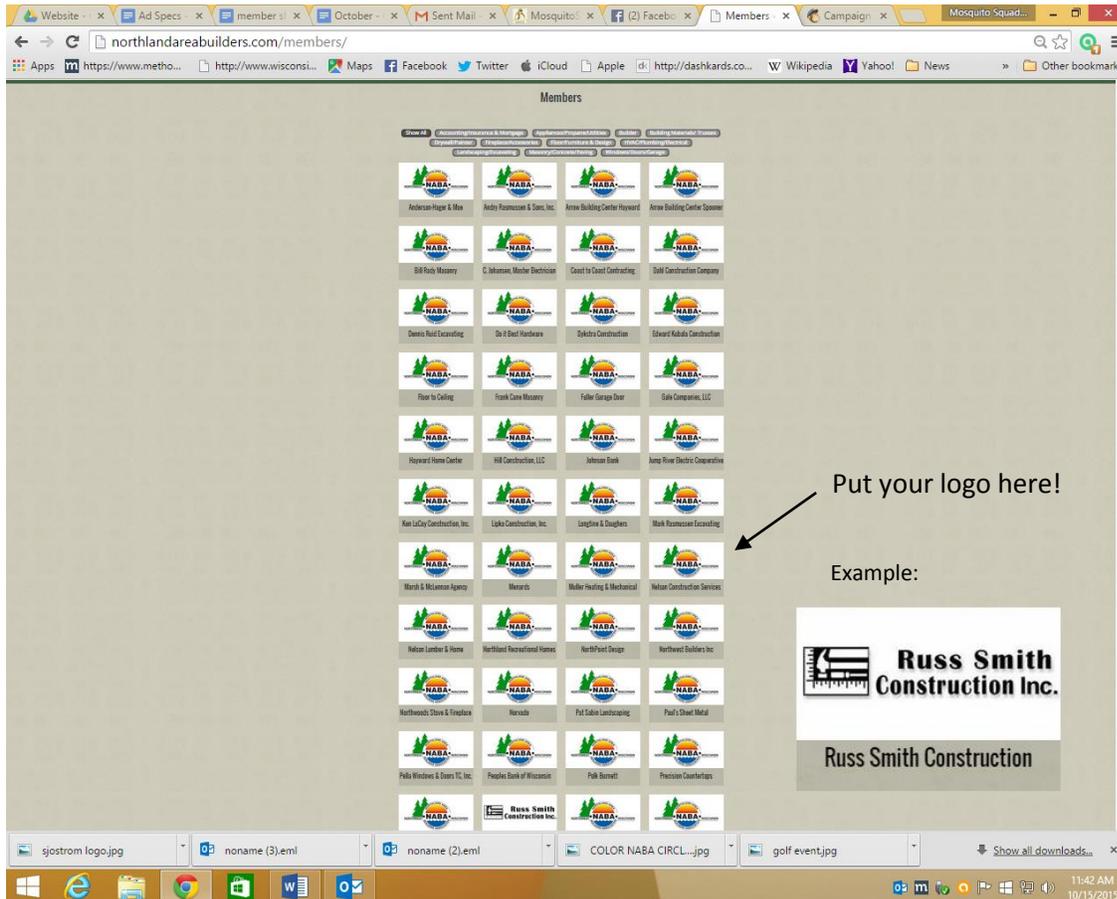

AD/Logo Cost for either position:

\$150 per year, one ad placed annually. Additional fees apply to rotating different ads in and out each quarter.

An example of a banner ad is the Xcel Energy ad shown in the footer above. Examples of logos are the NABA logo in the right side bar and the Fuller Garage Door logo in the footer above.

NABA Website Member Profiles - Complimentary

Make it easy for potential customers to find you by making sure your business profile is up to date! Go to <http://northlandareabuilders.com/members> then click on your business category to find your company and review your profile. The NABA logos are just a place holder for your logo until you send it to us.

Logo Size – For best results, we will need your logo in a 300 x 150 pixel file size in either .jpg or .gif format.

1) Email us your logo!

Please email your logo to northlandareabuilders@gmail.com

2) Review your business profile information!

Please make sure we have the most up to date logo and contact name and phone number for your complimentary profile. Review your member profile at northlandareabuilders.com/members

By following these simple steps, you'll get the most out of your member profile and you'll make it easier for potential customers to find you.
